

Is Your Child Having Trouble Focusing On What You Say and/or Is Having Trouble Following Directions....

- ***Play Simon Says***
- ***Read to your child and discuss what you have read***
- ***Whisper to your child***
- ***Encourage a listening posture when you talk to your child***
- ***Have your child repeat any instruction that you give Give your child a verbal list of three to four things to do.... Have your child repeat this list.... Then have your child do what you have instructed...***
- ***With your child's eyes closed, have him/her tell you how many times you clapped your hands or bounced the ball....***
- ***Describe your action to your child as you do things***
- ***Play 20 questions***
- ***Verbalize the organization of tasks and steps in problem solving.***
- ***Allow your child to verbalize his/her actions out loud while he/she works if it helps him/her concentrate....***
