

Welcome!

Dear Kindergarten parent:

I am pleased to take this opportunity to meet you and welcome your child to my class. I want your child to enjoy coming to school each and every day. I want to make your child's classroom environment a pleasant one, filled with rich experiences, challenging projects, loads of achievements, and lasting friendships.

A good learning experience is built on a cooperative effort between parent, child, and teacher. You will be the first to know whether your child is enjoying school, whether your child's relationship with a friend is affecting his/her academic and/or his/her emotional development. My commitment to your child is genuine and our interaction is essential to your child's education -- spiritually, academically, and behaviorally.

It is important for us to build a strong relationship with one another for several reasons. Some of the most important are:

- ◇ To motivate your child
- ◇ To build self-esteem in your child
- ◇ To reach common goals together
- ◇ To work through difficulties that may arise
- ◇ To see that your child enjoys the mental, physical, and social activities at school
- ◇ To see that your child reaches personal fulfillment
- ◇ To nurture and support your child
- ◇ To see that your child learns and becomes responsible
- ◇ And more importantly... To show your child *Jesus* as a personal friend and Savior

You can help me by giving any information that will help in understanding your child and his/her learning styles, and by reading the Kindergarten handbook with your child.

Again, I am excited about this new year. Please pray that it will be a year of growth, discovery, and significance for your child.

Please feel free to contact me about any questions and/or concerns. My home phone number is 909-446-1940 and my cell number is 909-747-5033.

Cordially,

Judy Keresoma
Kindergarten
