

# MGA Kindergarten Connections

## Homework Study Sheet for: November 5-9

### Bible Lesson and Memory Verse:

“The church kept on praying to God for him.” Acts 9:17

We are reading stories from the old testament.

**Math:** Continue to count objects around the house (one to one correspondence). Put them in categories and classify them. For example: tools, toys, clothes, etc. OR where would you buy these objects..... grocery store, hardware store, music store, etc. Continue to count by ones, tens, and five's. **Don't assume that your child can count and/or identify his/her numbers OR say his/her ABC's and that he/she knows their sounds OR knows the letters by sight..... Keep going back over it. AND please ask your child to write these. For example: write the number seven, etc.**

### Language Arts:

Parents, Continue working on the gross and fine motor skill ideas I sent home. We are studying the letter “M”. It's sound is made by pressing your lips together and making a voiced sound. Have your child feel his/her throat and mouth as she/he sounds the letter “M”. Look for things around the house that begin with this letter. Go over the letters we have studied: **S,T,B,F,P,R,D,J,K and Ll, and Mm**. Make sure your child can **identify these by sight (capital and lower case) and make their sound**. These are “good guy” letters because they say their sound. Have your child write these letters using the capital and lower case. Students, please continue to practice writing your name. **Remember we only use a capital at the beginning of our first, middle, and last name.** This year we are needing to know our **address, phone number, and birthdate**. Let's Keep practicing. Thanks!

### Science and Social Studies:

We are still learning about plants and harvest.

**FYI:** We will have a “Stone Soup” party on the Friday before Thanksgiving. Information will be coming soon.
